(See Code Number 33 for Part Number)

*When Ram requires replacement use P/N 233794 Ram Assy. P/N 225642 Heel Plate for early production, P/N 230301 Heel Plate for late production — Parts do not interchange.

**Late production designed to use P/N 232027 Rubber Filler Plug (snap-in). Order P/N 212540 Filler Screw and P/N 200003 Gasket for early production models.

***Available in Malleable Iron Casting for special application, order P/N 226610

****Current Pump Cup P/N 233889 eliminates need for the leather back-up washer used on early production.
