Accessory Kit

ASSEMBLY INSTRUCTIONS:

For Add-On Drawer Unit

- Step 1** Turn the cart on its handles as pictured.
- Step 2** Remove the drawer from the welded add-on drawer frame. Set the frame on the bottom of top tray, line up the four holes on the top of frame with the holes in the bottom of top tray. Insert the bolt with washer from underneath the tray, fasten using one flat washer and nut, repeat this on all four holes and tighten all bolts.
- Step 3** Turn the cart back on its casters.
- Step 4** Attach the handle to the front of the drawer with 6 screws provided.
- Step 5** Before inserting the drawer into the frame, make sure the roller bearing case is extended all the way out to the black plastic end stop. (This ensures proper alignment during insertion). Hold the roller bearing case in place when inserting drawer.
- Step 6** An extra lock which is keyed alike with the drawer lock is included to replace the existing locking lid lock if you want the 2 locks to work with 1 key.

Step 1

For Pry Bar Holder

- Step 1** Remove the two top side bolts from either side of locking top.
- Step 2** Place the pry bar holder on the edge of the cart. Match the holes on the cart with the holes on the pry bar holder.
- Step 3** Using the bolts, washers and nuts from your original cart, attach pry bar holder to the side of the cart.

For Side Shelf

- Step 1** Remove the two top side bolts from either side of locking top.
- Step 2** Place the side shelf on the edge of the cart. Match the holes on the cart with the holes on the side shelf.
- Step 3** Using the bolts, washers and nuts from your original cart, attach side shelf to the side of the cart.

⚠ WARNING

Read and follow all instructions in User's Manual. • Do not load side shelf beyond rated capacity (50 Lbs.). • Do not load drawer beyond rated capacity (100 Lbs. per drawer). • Lock drawer before moving. • Apply brake on locking casters anytime cart is in place. • Do not pull cart. Push from handle on end to move. • Units can tip or fall causing damage or personal injury. • Do not open more than one loaded drawer at a time. • Keep children away from unit. • Do not stand on or step in drawer. • Cart is designed to roll easily on flat surfaces and should not be used on uneven or inclined surfaces. • This product may contain one or more chemicals known to the State of California to cause cancer and birth defects or other reproductive harm. *Wash hands thoroughly after handling.*
