IMPORTANT – USER SAFETY AND PROTECTION

In setting up systems to fit your operations, care must be taken to select the proper components and design to insure appropriate integration with your operations and existing equipment and that all safety measures have been taken to avoid the risk of personal injury and property damage from your application or system.

ENERPAC CANNOT BE RESPONSIBLE FOR DAMAGE OR INJURY CAUSED BY UNSAFE USE, MAINTENANCE OR APPLICATION OF ITS PRODUCTS.
Please contact ENERPAC for guidance when you are in doubt as to the proper safety precautions to be taken in designing and setting up your particular application.

NOTE: Orders for parts cannot be filled unless both model and serial number with prefix imprinted on nameplate are given.

PARTS AND SERVICE

For quality workmanship and genuine ENERPAC parts, select a Franchised ENERPAC Service Center for your repair needs.

Only repairs performed by a Franchised Service Center displaying the official ENERPAC Franchised sign are backed with full factory warranty. The Classified Section in your Phone Book lists your nearest Franchised Service Center.

WARRANTY

ENERPAC warrants its products against defects in workmanship and materials for 90 days from date of delivery to user. Chain is not warranted.

Warranty does not cover ordinary wear and tear, abuse, misuse, overloading, altered products or use of improper fluid.

WARRANTY RETURN PROCEDURE

When question of warranty claim arises, the user should send his unit to the nearest ENERPAC Franchised Service Center for inspection, transportation to be prepaid and evidence of purchase date furnished. If the claim comes under the terms of our warranty, the Franchised Service Center will REPAIR OR REPLACE PARTS AFFECTED and return prepaid.
