

MBETUC Utility Cart

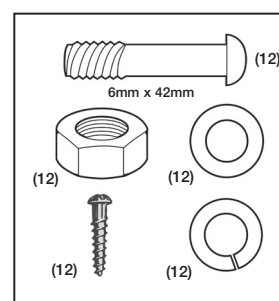

ASSEMBLY INSTRUCTIONS

- Step 1** Place the Locking Top and Drawer Unit (#1) on its back. Carefully open the Locking Top and lay it back against the ground.
- Step 2** Slide chrome legs (#2) into square holes in corners of Locking Top (#1) until bolt holes are aligned at top of legs. Fasten using bolts, flat washers, lock washers and nuts provided.
- Step 3** Slide bottom tray (#7) onto legs and fasten as in Step 2.
- Step 4** Insert casters (#8, #9) into the hole of plastic inserts (#12).
NOTE: Insert the two locking wheels (#8) at the same end of the cart.
- Step 5** Return cart to upright position.
- Step 6** Using the screws provided, install drawer handles by aligning pre-drilled holes in drawers with slots in handle. Tighten all screws securely.

Tools Needed for Assembly:

Bolt Kit (#10) included for attaching legs and tray to MBETUC cart:
