

L1860 Rev. G 08/12

P18 Models-Date Codes beginning with the letter "G".
P39, 1003 Models-Date Codes beginning with the letter "H".

To Protect Your Warranty, Use Only ENERPAC Hydraulic Oil.

Enerpac recommends that all kit components be installed to insure optimum performance of the repaired product.

WARNING: To ensure that the internal relief valve setting is correct, check the model number when servicing the product. The setting may require adjustment based on the pressure setting designated by the dash code (-XXXX) of the model number.
